Stellar Composites is the world-wide distributor for Solas Marine Lanka Pvt Ltd.

Together Stellar Composites and Solas aim to be the leading companies in design, sale and distribution of composite boats up to 40 metres with a world-wide customer base.

We can supply surveillance and attack crafts to the navy, the coast guard, the police and to law enforcement agencies and recreation crafts for tourism, luxury purposes, ambulance services and transportation.

Faster on water, designed for the future is our guiding principle in all that we do.

- Yard was founded in 1979, and has over 35 years of boat building experience.
- Designed, manufactured and supplied over 25,000 Glass Reinforced Plastic (GRP) boats of varied designs and sizes
- 100% Export Oriented company with wide network ranging from United States, South America, Europe, Africa, Middle East and South East Asia
- Accredited with ISO 9001:2008 by Det Norske Veritas (DNV) to design and construct all types of composite boats and yachts
- Workshops approved by Germanischer Lloyd and Indian Register of Shipping
- 35 years of boat building for use in the toughest of conditions
- Highly skilled and well trained work force
- Over 25000 deliveries from our yard
- Vacuum infused GRP hulls - creating stronger and lighter hulls
- A wide spread network of suppliers and service providers
- Ample experience in design, manufacture and after sales service
- Focus on R&D enabling us to evolve with every design
- Vertical integration with Solas Marine Services Group, a well-known entity in the middle east for providing marine services
- Utmost priority to quality and customer satisfaction – the key to our success
